We had a fantastic stay here for 4 days for 3 couples and 1 child. **Location was excellent for being parable to walk to walk to shops/bars/restaurants and close by for a short drive over the the lakes.** Super comfortable and plenty of space.

My family and I stayed here for 3 nights for a family wedding nearby. The house was absolutely perfect. It was spotlessly clean, the kitchen was really well stocked with equipment and the house was well maintained.

We stayed during a summer heatwave but the tiled floors and large sash windows helped to keep us cool. The garden was very large so great for getting outside.

It's just a short stroll into Kendal and perfect for accessing the wider Lake District.
